**HOW IT WORKS:** Participating towns will have maps available guiding shoppers to the special sales sites throughout their communities. Some towns will have yard sales set up at a central location, or spread throughout the town. Still others will showcase their downtown merchants or their flea markets/trade days/farmers markets.

**FUN FOR THE ENTIRE FAMILY:** Make plans now to travel through the Red River Valley region of Texas for the US HWY 82/287 Yard Sale. You'll discover fun for the whole family... from heritage homes to historic downtowns, from art to antiques, from cattle trails to cultural facilities.
